9.WANTED CAREER DAYS

As every year, this year we brought our students together with many prestigious companies to support them on their career journey. Through the interviews, roundtable discussions, talks, and workshops we organized, our students had the opportunity to closely explore industries, communicate directly with professionals, and clarify their career goals.

ROUNDTABLE SESSIONS

As part of WANTED, the roundtable sessions provided students with the opportunity to meet with industry experts and directly ask questions about the companies' recruitment and internship policies. Additionally, students had the chance to receive valuable advice from successful company representatives to support their career development.

EXCLUSIVE COMPANY STANDS!

This year, we brought together over 60 companies at their stands, offering an environment where they could meet with our students one-on-one, create networking opportunities, and introduce themselves and their industries. Our school's biggest event of the year, the 9th WANTED Career Days, was held with great interest from our students.
